

Nishanth M L

Programmer

Profile

I am a Full-Stack Web Developer with a passion for Cybersecurity. My ultimate goal is to secure the digital world by continuously learning and enhancing my Cybersecurity skills, guided by the motto "Security is not optional."

Soft Skill

- Adaptability
- Leadership
- Teaching
- Problem Solving
- Team Work

Work Experience

- 2023
OrangeMega Software | Kanyakumari
Freelance Web Developer
Developed and maintained web applications using front-end and back-end technologies such as HTML, CSS, JavaScript, PHP, and SQL.
Collaborated with designers and project managers to deliver high-quality web applications that meet customer needs.
Ensured cross-browser compatibility and web accessibility standards are met.
Optimized website performance by implementing web optimization techniques and caching strategies.
Implemented responsive design to ensure web applications are mobile-friendly.
Implemented Code level Security based on my Cybersecurity knowledge.
